

README – RACE SCHEDULES

Here there will be communications from the webmaster with information about the upcoming races.

1/15/06 - Soon the 2006 racing season will begin. We are currently setting up the tentative schedule for the coming season, locating flyers to enter complete information under each event, however, it is slow going as many flyers are still not available or we have not been able to locate them. But each week more information is entered and we will try to keep at least one month ahead.

3/25/05 - Two new LAJORS events in New England - Jiminy Peak RR in MA (Saturday, May 7th) and North Stonington RR in CT (Sunday, May 15th). For those juniors 15-18 living outside New England, if you would like to do Jiminy Peak or North Stonington and need a place to stay, e-mail NECSA@aol.com. No guarantees, but we will see what we can do.

3/25/05 - Adelpia Gran Prix Road Race, Plymouth, MA (April 17th): This is the first LAJORS event in New England and is always well attended by juniors. Highly recommended. And, as always suggested, pre-register on bikereg.com.

4/2/05 - In order to get all the information on the schedules and points series forms, we have to use very small type. To increase the size of the type, just click on the little magnifier with the "plus" on it on the tool bar, then on the page several times to increase the size.

3/25/05: Michael Schott Memorial Road Race (Marblehead Road Race) - Marblehead, MA on April 3rd - Again if you want to do this race, register early on bikereg.com, as the fields close early. Marblehead is not a recommended race for 14 and under.

3/25/05: Boston Beanpot Criterium on April 10th at Tufts - More Information: The entry fee for all juniors entering the category races is ZERO. This looks like a good race to begin the season.
